PRESIDENT'S MESSAGE

The November ASCE-Acadiana Branch membership meeting was a huge success – with a final count of 52 professionals and students in attendance. All Branch Past-Presidents were recognized at the meeting and, we are excited to report, 10 of the 17 Past-Presidents were present. Our guest speaker, Dr. Ray Authement, President, University of Louisiana at Lafayette, delivered an excellent presentation concerning the importance of the University of Southwestern Louisiana/University of Louisiana at Lafayette name change. We are pursuing Lieutenant Governor Kathleen Blanco to speak at our January meeting.

The Acadiana Branch Board will be very active throughout the next few months. Jan Robichaux and Kimberly Landry will represent the Branch at the Zone II Management Conference in Nashville, Tennessee in January. The goal of the conference is to strengthen and expand Branch programs through the exchange of ideas, information, and experience.

Additionally, we would like to remind everyone that this is the last month of the membership drive and a chance to win \$100.00 for acquiring the most new members. If you have not reported to Phillip Parker about acquiring new memberships, please do so at this time or before December 31, 1999.

As we approach the new millennium, we would like to wish everyone a **MERRY CHRISTMAS** and **HAPPY NEW YEAR!!!**

David S. Huval, Jr., P.E.
