

7th Joint Engineering Society Conference

Louisiana Engineering Society

Time	Pink Perfection & Tiffany	Other Activities	Purple Dawn <small>Cap. 120</small>	Debutante & LaReine <small>Cap. 80</small>	Woodville Red <small>Cap. 150</small>	Woodville Blush <small>Cap. 50</small>	Elegans <small>Cap. 40</small>	Time		
1/23/03 THURSDAY										
8:00- 9:00 AM								8:00- 9:00 AM		
9:00 - 9:30AM	Registration/ Information	SET-UP		LPDES Phase II Stormwater Discharge Regulations	Preventing Mold	Project Owner Insurance	The Designing and Specifying Emergency Power Systems	9:00 - 9:30AM		
9:30-10:30 AM			Small Sanitary Discharge Permitting in the TMDL Era.	9:30-10:30 AM						
10:00- 10:30 AM			Break in Exhibition Hall						10:00- 10:30 AM	
10:30- 11:30 PM			Advances in Rigless Frac-Pack Completion Techniques	Use of Geogrids for Soft Soils and Pavement Reinforcement	Understanding the Dynamics of Risk in A/E Industry Richard Moeller/ Wyatt Sanders	The Designing and Specifying Emergency Power Systems	10:30- 11:30 PM			
11:30- 12:30PM				Stabilizing Problem Soils with Lime			11:30- 12:30PM			
12:30- 1:30 PM			Lunch in Exhibition Hall						12:30- 1:30 PM	
1:30- 2:30 PM			Review of Formation Pressure Prediction Methods	GPS - Boundary and Topographic Surveying	Public Bid Law William Melancon, P.E., Attorney	The Designing and Specifying Emergency Power Systems	1:30- 2:30 PM			
2:30- 3:00 PM			Break in Exhibition Hall						2:30- 3:00 PM	
3:00- 4:00 PM			Review of Formation Pressure Prediction Methods	How-To's of Grant Writing Sheri G. Lazare, M.A.	Public Bid Law William Melancon, P.E., Attorney	The Designing and Specifying Emergency Power Systems	3:00- 4:00 PM			
4:00- 4:30 PM			Break in Exhibition Hall						4:00- 4:30 PM	
4:30- 5:30 PM			Engineering Solutions to Maritime Disasters Hector V. Pazos, P.E.	How and Where to Find the Money Sheri G. Lazare, M.A	Advances in Flowrate Measurement Daniel C. Cadwallander	Modern HVAC Engineers and Training Dr. Cheu-Chen (CC) Chen, P.E. Southern University	4:30- 5:30 PM			
5:30- 6:30 PM			Social in Exhibit Hall							5:30- 6:30 PM
6:30- 9:00 PM					LES Awards Banquet					6:30- 9:00 PM

1/24/03 FRIDAY									
7:30- 8:00 AM	Registration/ Information		Continental Breakfast in Exhibit Hall						7:30- 8:00 AM
8:00- 9:00 AM			Continental Breakfast		Thrust Restraint Design for Piping Systems	Engineering Ethics Dr. Robert B. Fisher, SVD	Re-Thinking What Works in Information Technology	Small Cogeneration Projects	8:00- 9:00 AM
8:30- 9:00 AM				Break in Exhibition Hall					8:30- 9:00 AM
9:30- 10:30 AM			EXHIBITS OPEN		Design and Benefits of Roller Compacted Concrete	Engineering Ethics Dr. Robert B. Fisher, SVD	Membrane Treatment of Water and Waste Water John C. McArdle	Laboratory-Fume Hood-Exhaust Swiki Anderson	9:30- 10:30 AM
10:30- 11:00 AM				Break in Exhibition Hall					10:30- 11:00 AM
11:00- 12:00 AM					Mean of Egress, Life Safety Code	Warranties & Indemnification/ Express and Implied Steven B. Loeb, Attorney	Patents, Trademarks, and Copyrights for the Engineer Brett A. North	Laboratory-Fume Hood-Exhaust Swiki Anderson	11:00- 12:00 AM
12:00- 1:00 PM			EXHIBIT REMOVAL	Lunch in the Exhibit Hall					12:00- 1:00 PM
1:00- 1:30 PM				Moon Griffon - Guest Speaker (Purple Dawn Rm) Sponsored by Law Offices of William Melancon					1:00- 1:30 PM
1:30- 2:30 PM					Characteristics of and Solutions for Active Soil Deposits in Louisiana	Quality Management Systems for Engineering Firms	Fire Safety and Life Safety Issues in Attics of Type V Construction Raymond J Battalora, PE	Dewatering Made Simple Container Filter Technology	1:30- 2:30 PM
2:30- 3:00 PM				Break in Exhibition Hall					2:30- 3:00 PM
3:00- 4:00 PM				Licensure as a PE versus Discipline LAPELS			3:00- 4:00 PM		
4:00- 5:00 PM				Licensure as a PE versus Discipline LAPELS			4:00- 5:00 PM
