OCTOBER MEETING

WELCOME BACK FROM SUMMER VACATION!!!

As we begin our new year I would just like to say thanks once again to Mr. Philip Herrera for all of his hard work as President last year. This year's board has already started planning for the 1999 Louisiana State Spring Conference. The Conference is scheduled for April 14-16, 1999, so mark your calendars now. The board is accepting any requests and/or suggestions for the Conference. Contact any board member if you have something you would like to share.

I would also like to take this time to remind each member to check the box for Section dues and remit the amount with your national dues renewal. The section dues help the branches provide branch programs for their members.

I am looking forward to another great year and a very successful Spring Conference.
